

Wi-Fi Service | User Guide

(February 2017)

Connect to Wi-Fi

Qatar university present Wi-Fi Connection to Students and Staff, the service allows you to register 5 devices on our network.

To use the service, you need to register the device:

1. On your device, search for the available network.
2. Connect to the QU User.
3. The registration page should come up; in case it doesn't, try to visit university website www.qu.edu.qa.
4. Login using your QU username and Password.
5. Click Accept and then Register.
6. Provide a device name (e.g. Samsung S6, iPhone 7 etc.) and press Continue.
7. The registration confirmation will show.
